

## Call for Papers

### The 2018 IEEE MTT Texas Symposium on Wireless & Microwave Circuits & Systems

**Baylor University, Waco, Texas April 5-6, 2018**

The Texas Symposium on Wireless and Microwave Circuits and Systems conference committee invites paper submissions for the 2018 conference, to be held at the Baylor Research and Innovation Collaborative (BRIC) (<https://www.baylor.edu/bric/>) in Waco, Texas, on April 5-6, 2018.

Authors from the industry and academia are invited to submit papers of their original and previously unpublished work in all areas listed below:

- RF and microwave circuits and systems
- 5G and millimeter-wave wireless technologies
- Wireless technologies for biomedical applications
- Antennas, propagation, and electromagnetics
- Spectrum management and coexistence
- Devices, modeling, testing and measurement techniques
- Microwave applied metrology
- Wireless power transfer
- Electromagnetic materials and modeling
- Wireless or optical communications
- Photonics
- Radar and sensing
- Internet of Things
- Emerging wireless technologies

Published papers will be archived with the IEEE Xplore®. Travel grants will be awarded to students of selected papers to offset registration and travel costs.

#### Paper Submission Timeline:

- Deadline for submission of full (4-page) paper: **January 31, 2018**
- Author notification: March 4, 2018 (earlier notification may be requested for foreign submissions)
- Deadline for submission of final paper and presentation: March 16, 2018

Conference website for more information and for submission of papers: [www.TexasSymposium.org](http://www.TexasSymposium.org)

#### Organizing Committee:

##### *General Chairs*

Oren Eliezer, PHAZR  
Ranjit Gharpurey, University of Texas at Austin

##### *Technical Program Chair*

Yang Li, Baylor University

##### *Technical Program Co-Chairs*

Wooyeol Choi, University of Texas at Dallas  
Shahrokh Saeedi, The University of Oklahoma

##### *Publications Chair*

Ifana Mahbub, University of North Texas

##### *Registration Chair*

Drew Bresnahan, Baylor University

##### *Sponsors and Exhibitors Chairs*

Charles Baylis, Baylor University

##### *Conference Advisors*

Charles Baylis, Baylor University  
W. Alan Davis, The University of Texas at Arlington  
Robert J. Marks II, Baylor University  
Randall Jean, Baylor University

##### *Publicity Chairs*

Donald Lie, Texas Tech University  
Charles Baylis, Baylor University

##### *Local Arrangements Chair*

Casey Latham, Baylor University

##### *Student Posters and Presentations Chair*

David Jackson, University of Houston

##### *Webmaster*

Arturo Sifuentes, University of North Texas

#### Call for Sponsors

Companies and individuals interested in sponsoring specific aspects of the conference should contact Charles Baylis at [Charles.Baylis@baylor.edu](mailto:Charles.Baylis@baylor.edu).
